

SAVE THE DATE : 08.05.2018

Investment is a large part of the Belt and Road Initiative. The states along the Belt and Road are linked mainly by location and are a disparate group in terms of size, development, economic structure and government. There are over 70 countries along the routes envisaged by President Xi Jinping's vision and there are significant questions about many of these countries as investment destinations. What strategies and dispute resolution options are available to protect Chinese investors and their counterparties along the Belt and Road?

Belt and Road Investment Disputes: The International Legal Landscape for Chinese Investors and Counterparties
