## What is the ERA Pledge?

The ERA Pledge is aimed at improving gender diversity in arbitration and has two objectives:

- (1) to improve the profile and representation of women in international arbitration; and
- (2) to increase the appointment of women on arbitral tribunals on an equal opportunity basis.

The ERA Pledge Corporate Subcommittee has produced a set of Guidelines specifically designed for corporates to use to implement the objectives of the Pledge, which can be accessed here. Read more information about the ERA Pledge and the Subcommittees here.
